**PROTECTIVE ORDER**

On September 6, 2001 Northwestern Generation I, LCC (NGI) filed for a protective order in this docket “to limit access to or use of certain proprietary and confidential information that NGI expects to file with its Application for Comments and Findings regarding a certain Power Purchase and Sales Agreement (the ‘Agreement’) between NGI and Montana Power Company (‘MPC’).” Motion for Protective Order. NGI seeks protection for pricing provisions of the Agreement and argues that as MPC continues to develop its default supply portfolio “protection of pricing information will encourage other suppliers to come forward with their most favorable pricing as that process continues.” Id.

The Montana Public Service Commission (Commission) determines that the identified information could be confidential and subject to protection from public disclosure pursuant to Montana law. Therefore, the Commission grants NGI’s motion and hereby orders that information submitted in accordance with this Order be treated as “confidential information” under the terms of this Order and ARM 38.2.5001-5030.

DONE AND DATED this 11th day of September, 2001, by a vote of 4 - 1.
